To the best of the Directors' knowledge, Gansu Provincial is a large, state-owned enterprise operating in Gansu Province, PRC and is the only enterprise authorised by the Gansu Provincial Government to undertake the fundraising, investment, construction, management and operation of transportation infrastructure projects within Gansu Province. Pursuant to the Notice of Pilot Reform Scheme for Gansu Provincial Highway Aviation Tourism Investment Group Co., Ltd. and Other Provincial Enterprises (《關於印發省公航旅集團等5戶省屬企業改革試點方案的通知》) issued by the General Office of the CPC Gansu Province Committee (甘肅省委辦公廳) in January 2015, the State-owned Assets Supervision and Administration Commission of Gansu Provincial Government (甘肅省人民政府國有資產監督管理委員會) is appointed to act as the shareholder of Gansu Provincial while the Department of Transportation of Gansu Province (甘肅省交通廳) is retained to supervise the day-to-day management of Gansu Provincial. BASIS OF THE CONSIDERATION AND SETTLEMENT

The total consideration (inclusive of the accrued interests) for the Disposal was approximately US\$483,782 (equivalent to approximately HK\$3,773,500), which represented the then market price of the disposed GSIAV Bonds. The entire consideration for the Disposal has been and will be settled by cash and in accordance with the relevant standard market practice.

As the Disposal was conducted through the open market, to the best of the knowledge, information and belief of the Directors, having made all reasonable enquiries, each of the purchasers and their ultimate beneficial owners are the Independent Third Parties, and are not shareholders of the Company. The Disposal was conducted with the consent of the Potential Individual Purchaser (as defined in the 3.7 Announcements pursuant to Note 1 to Rule 4 of the Hong Kong Code on Takeovers and Mergers).

REASONS FOR AND BENEFITS OF THE DISPOSAL

The investment strategy of the Group is, among others, to achieve long-term return within an acceptable risk level by investing in a broad diversification of portfolio, including but not limited to stocks, bonds, funds, structured products and derivatives in different business sectors. Over the years, the Group has sought to diversify its investment portfolios when opportunities arose and would, from time to time, realise its investments which to do so will be in the best interests of the Group.

The Disposal was in line with the Group's principal activities on securities dealing and financial investments, and allowed the Group to (i) realise the Company's investment in the listed securities and bonds; (ii) enhance liquidity of the Company and (iii) obtain additional cash flow. As the Disposal was made in the open market at prevailing market price, the Directors were of the view that the terms of the Disposal were fair and reasonable and in the interests of the Company and its Shareholders as a whole.

LISTING RULES IMPLICATIONS

Since the Disposal was conducted through a series of transactions which took place within a 12-month period, the GSHIAV Bonds disposed of were therefore aggregated pursuant to Rule 14.22 of the Listing Rules. As one or more of the applicable percentage ratios for the Disposal exceeded 5% but all of them were less than 25%, the Disposal constitutes a discloseable transaction of the Company and is therefore subject to the reporting and announcement requirements pursuant to Chapter 14 of the Listing Rules.
